**Our teachers are truly SUPERHEROES!**

**Thank you to everyone for helping celebrate our amazing and dedicated teachers this week.**

Please know that although our school building is closed, our teachers' hearts are open and dedicated to providing our students with the best e-learning experience that we can provide. We have one month of school left, and we will persevere through all of this together! We want to make sure that our students are prepared for the upcoming academic year, and we appreciate your help and understanding as we are making students accountable for turning in their assignments. The teachers in grades 5th-12th are updating QUICKSCHOOLS weekly so please be sure to check what is going on grade-wise so there are no surprises when you receive your child's report card.
