From the
teachers at
**The Einstein
Academy:**

In the middle
of difficulty
lies opportunity
-Albert Einstein

Life is like
riding a bicycle.
To keep your
balance you must
keep moving.
-Albert Einstein

Our teachers truly miss teaching our students in person!

It is hard to believe that it is May already and that our seniors are graduating next weekend. This year will undoubtedly be long remembered as the year of the quarantine. I am incredibly proud of how our Einstein family has worked together to make the most of the last few months of school. Without a doubt it has been challenging for all of us, but I think it also made us appreciate things that we previously took for granted. There is always a silver lining with every cloud! Thank you to those of you that submitted virtual learning photos for the yearbook. The "quarantine" page looks amazing! Yearbooks will be available to be picked up along with your child's school supplies on a date to be determined in June. Once we choose the date(s), the homeroom teachers will send out a sign-up sheet similar to conferences for you to come to the school to drop off school materials and pick up your child's supplies. More information will be posted as soon as we have clearance to do so from Governor Pritzker. As our school year is coming to a close, please know that our staff is here for you and your family even when our academic year ends. Please do not hesitate to reach out to any of us should you and your family need ANYTHING!
